Terms & Conditions

These terms & conditions become binding as soon you pay a non-refundable deposit or purchase tickets in full if booking after 31st October 2026.

All offers, prices & party dates are subject to availability and must be pre-booked and paid in full in advance. Due to current demand, we are unable to 'hold' spaces on a provisional basis. Full and final payment will be due by 31st October 2026. All pre-payments are non-refundable and non-transferable and cannot be used to offset against other items or services.

All advertised prices are correct at the time of production.

All events are subject to the hotel's general events terms & conditions.

All prices include VAT at the current rate. VAT receipts will be available by request after the event.

We cannot guarantee requested seating plans can be accommodated, although we will always endeavour to meet your requests. We will discuss these details with you closer to the time. Smaller parties may be required to share tables.

There is no formal dress code for Christmas Party nights, but most guests choose to come in smart party wear.

It is not permitted for any guests to bring in any of their own beverages and only guests of 18 years and over are allowed entry. Please do not book tickets for any guests under the age of 18 as they will not be refunded, and the guest will not be able to attend.

Beverages may be pre-ordered prior to the event – you will receive details of how to order these approximately six weeks before the party night via email.

While we aim not to have to do so, we may be impacted by supplier

issues and therefore we appreciate your flexibility if we do have to substitute a menu or beverage item. We do require, and will ask for, all food allergy and intolerance information for any attendee at the event you have booked tickets for. Please note as the main point of contact for the booking, you are responsible for gathering and providing this information to the hotel in the timeline required.

Extra guests joining the party after the meal has concluded will not be allowed without prior arrangement with the hotel management.

Any guest whose behaviour gives the hotel concern in any way whatsoever, will be asked to leave or refused admission without refund.

Any damages caused by a member or a party will be charged for and be the responsibility of yourself as the group organiser and as our main point of contact for the booking.

Drinking responsibly, the behaviour of and the conduct of guests are taken very seriously, and the hotel has a legal responsibility to ensure that licensing conditions are complied with. This includes suitable and sufficient controls in regard to the service of and consumption of alcohol: The client will therefore be responsible for any losses, damage or other costs associated with drunkenness, unruly behaviour, or conduct.

It is anticipated the event can go ahead without any restrictions on the hotel being able to supply the event. However, should emergency laws or restrictions preclude the hotel from being able to host the event in its entirety, the client would not be bound by the above terms and conditions and the hotel would make contact either to rearrange to an alternate date or refund the monies paid.

Should the hotel be able to continue to host the event, but the client chooses to cancel or amend their booking, then the above terms and conditions would apply.
